# Culture Shock

CultureShock Interactive Gallery in Alert Bay, B.C. is a unique experience designed to offer friendly access to the indigenous 'NAMGIS arts and culture.

At this waterfront heritage location, you can shop for one of a kind, locally made art, jewellery and clothing, watch award winning films about our culture while enjoying the best coffee on the island or take in the beautiful views on our cedar patio.

Give us a call or come by to find out about our interactive cultural experiences. Listen to storytelling by Ada (Grandmother), weave cedar with Donna or enjoy a salmon barbecue during the summer months. Always friendly and never boring, CultureShock Interactive Gallery welcomes you to explore 'NAMGIS traditional arts and culture with us.
